## DIZZY SPELLS GONE

Had Catarrh for Years. Fat and  
Healthy Now

December 3, 1905.

Dear Friend Doctor :

I will write you a few lines to let you know that I am feeling well, and can work and eat and drink just like I did a few years ago, feel healthy and fat. I was down to 98 pounds and I gained up to 114 again under your treatment. I used to have the dizziness so bad I would tumble over. I had the catarrh all through me, in my stomach, and my head and throat. I will praise your medicine to all the sick that I can help along, and they may write to me and ask me if they want to. Of course I will answer them the way my case was and tell them that you cured me.

I remain,

Ever your true friend,

Mrs. JOHN BISHNO,

Harper, Kansas.

R. F. D. No. 2.

## CONTRACTOR HAD CATARRH FOR FOURTEEN YEARS

Dear Dr. Sproule:

I am perfectly cured of Catarrh. After trying every medicine to be found, and treating with nearly twenty different doctors during the past fourteen years without success, I at last found a complete cure by answering your "ad" in the paper. I was so bad that I was ashamed to sit near others, though I had paid out money enough to have purchased a farm. If I had got your remedies first and paid you \$500.00, I would be money ahead. My work keeps me out of doors in all kinds of weather, and you can know I am well, for I have charge of 52 men and 15 horses. No more Catarrh for me.

Yours with thanks,

ALLEN E. KINNER,

## Deafness Cured in 20 Days

Health Perfect Now

October 25, 1905.

Health Specialist Sproule,

Dear Friend:—

Thanks to you, I am all right and well. I want to refer to you a very bad case of deafness, one of my friends. . . . .

You can correspond with him yourself and tell him that I recommended you to him, and that you cured my deafness in 20 days. I want you to wear that feather in your cap for me. I used your remedies as I said, for 20 days strictly according to directions and the result was, I can hear as well as ever I did. I shall be pleased to have you use my name in any way you like, and I appreciate very deeply what you have done. When you took my case, I could not hear my watch tick at all and my ears felt as if they were plugged with cotton. I had been in this fix several years. My trouble came on gradually, so I think the quick cure was the more remarkable. I am 67 years of age.

Thanking you again for all you have done, I am,

Yours truly,

U. N. ATKINSON,  
Kenedy, Texas.
